

ACT! share, educate, contribute:

Act! Share the film:

Mosques, churches, libraries and non-profit organizations around the country are hosting **Ramadan Screening Tour** events with *Abraham's Children*. To find out how to host a screening or bring the filmmakers to your town visit: www.abrahamschildrendoc.com.

Act! Educate yourself and others:

- It's easier to stereotype people when you don't know them. Are there ways you can help different groups meet and spend time together?
- If you had the power to require *Abraham's Children* to be viewed, who would be on your list? How might you arrange a screening for those people?
- For information on how to **Act!** and host a screening at home or in your community go to our website at: www.abrahamschildrendoc.com/act!.

Act! Help us educate by making a donation:

Each postcard sent to an educator costs \$1.00. We are mailing over 3,000 postcards to get *Abraham's Children* into classrooms. **Act!** and go to our website at: www.abrahamschildrendoc.com/donate.

 *Abraham's Children* is fiscally sponsored by the IFP.org
